Commemorate friendship with a card that speaks to the nature of true camaraderie! Join artist and illustrator Candice Phang of Puffingmuffin to craft a meaningful card to mark your lasting friendship with someone special. Inspired by artist Donna Ong's *The Caretaker*, this workshop hopes to spread the spirit of friendship.

You will need:

- Watercolour
- Coloured pencils
- Construction paper/ Recycled materials (e.g. old magazines, newspapers)
- 1 x A3/A4/A5 watercolour paper (as a base for card)
- Scissors
- Glue

ABOUT THE ARTIST

Trained as an architect at the National University of Singapore, artist and illustrator Candice Phang goes by the moniker Puffingmuffin. Her work is inspired by the life's quirks. Drawing on a fun mix of traditional and digital mediums, it packs a punch with bright colours and playful characters. Phang's tongue-in-cheek illustrations are her way of taking life more seriously in a less serious way.
