

Introduction to Contemporary Art

Programme: SAM Assembly Talks

Programme Description:

This 30-minute assembly programme will introduce students to contemporary art through an engaging presentation with interactive segments and opportunities to win prizes. The programme references selected artworks from various SAM exhibitions and includes artworks from the STAR MOE binder – Investigating Contemporary Art: SAM. The programme will be facilitated by a museum educator, who offers insight into contemporary art practices.

Objectives and Outcomes:

The programme objectives are:

1. To introduce students to contemporary art.
2. To expose students to artists and artworks from Singapore and Southeast Asia
3. To enhance visual literacy.

The programme outcomes are:

1. Students will gain an understanding of different types of medium, subject matter and the significance of context in contemporary art
2. Students will gain knowledge on artworks and artists from Singapore and Southeast Asia.
3. Students' visual literacy will be enhanced.
